September 2013 Update

Since our last report in July, we have maintained our Saturday morning Coffee Browse-ins for residents and visitors. At these, we continue to offer second-hand books, CDs and videos as well as coffee, tea and biscuits. We held a successful Bingo evening on August Bank Holiday, Friday evening.

The work of re-roofing the Hall should be complete by mid-month. Work had to be delayed till September to avoid disturbing bats that have been roosting in the eaves.

We are pleased to report that we have been able to re-open the Playpark after Playdale repaired or replaced equipment RoSPA had warned us as being in need of attention.

A new Keep Fit programme has begun in the Hall every Wednesday evening from 7 – 8 pm, £3.50 per session, contact Pip Charlton 07900 846617 for more information. In addition, other activities have resumed following the Hall's refurbishment – the Art Club and the Craster Women's Institute. The Craster History Group has two meetings this autumn: September 16th, "Bailiffgate Museum at the Heart of the Community" by Alex Rayner, and October 21st, "Droving - The Livestock Trade in Northumberland" by Dr. Ian Roberts.

On Friday 4 October, Angus & Ross Theatre Company will present "Holmes & Watson – The Farewell Tour", with Julian Finnigan and Dominic Goodwin. This is a production subsidised by the Highlights rural touring scheme. The audience will be invited to:

Admire the skills of the Great Detective !
Marvel at the beauty of the Satsuma Stone !! and
